

Energy Advantage for Municipal

Noesis offers payment plans for municipalities to finance energy-saving improvements and equipment replacements. Cities, counties, schools, and other entities can take advantage of low interest rates, 10-year terms, and Noesis' exclusive Performance Rebate to help ensure the project savings meet expectations.

- ✓ Credit available from \$10,000 to \$100,000,000 – covers HVAC, lights, building controls and more
- ✓ 100% financing – no money out of pocket – equipment and installation costs financeable
- ✓ Fast decisions – high approval rates – funding within days
- ✓ Includes comprehensive financial analysis by Noesis' team of project specialists

1
