

TWHealth GUIDING VALUES

Customer-centered
We always maintain helpful and courteous service, even when faced with challenges

Teamwork
We seek involvement and input from colleagues with different perspectives

Critical Thinking
We discover and implement creative and outstanding solutions to complex problems

OUR 6
**GUIDING
VALUES**

Tenacity
We are committed to the work that we do to positively impact patient lives

Integrity
We question actions inconsistent with our values

Ownership
We look inward, not outward, when things go wrong
